

Hello,

Welcome to Mount St. Mary's University. Please find the attached health forms that must be completed and returned to Health Services. These forms, due by July 31, are **REQUIRED** for **ALL** Mount students whether full or part-time, resident or nonresident.

Please complete each form carefully (pages 1-5) and turn them in to Health Services in a timely manner. For your convenience we have provided a checklist below to assist you in double checking that all **required** information is completed. Please take a moment to review your packet before turning it in to us.

To achieve our goal of at least 80% immunity within our community, undergraduate students who will be taking classes at the Emmitsburg campus in Fall 2021 and seminarians are required to be vaccinated against COVID-19 before coming to campus in August 2021. Please upload your vaccination card to MyMount by July 31st. Exemptions from this policy may be made for medical or sincerely held religious beliefs but must be documented and approved in advance. Exemption forms can be found on the Health Services Website. New students requesting consideration for exemption should complete the form and email it to: VPStudentLife@msmary.edu as soon as possible. All requests for this accommodation will be kept confidential.

We will be accepting completed health forms at Summer Orientation in June. If you are unable to complete the packet by Summer Orientation, please mail to Health Services at the address below no later than **July 31st**. We are looking forward to meeting you at Summer Orientation!

CHECK WHEN INFORMATION IS COMPLETE
(All information must be on Health Services Forms)
