

Dear Parent/Student,

Welcome to Mount St. Mary's University. Please find attached the medical forms for Health Services. These forms are **REQUIRED** for **ALL** Mount students whether full or part-time; resident or non-resident and due at your Orientation.

Thank you for taking the time to make sure this packet is complete (pages 1-5) and turned in to Health Services in a timely manner. For your convenience we have provided a "check list" to assist you in double checking that all **required** information is completed. Please take a moment to review your packet before turning it in to us. Health Services will confirm that we have received your information thru your student email address. If you are unable to have this packet completed and returned at orientation; please mail to Health Services at the address below no later than **June 30th**. Looking forward to meeting you at Orientation!
